DIARY NO. 3812

From

K. MATTHAN, Esq., B. A.,
Director of Civil Supplies in Mysore.

To

C. S. Balasundaram Iyer, Esq., B.A.,
Chief Secretary to the Government of Mysore.

Sir,

With reference to Government Notification No.G.1192/P.P.2-18-51 of the 15th July 1919 fixing maximum prices for the sale of kerosene oil, I have the honour to submit a copy of a letter from the Standard Oil Co. of New York, Madras, intimating the reduction of the price of "Elephant" brand oil by four to five annas per unit. I also submit for approval and publication in the Gazette a draft notification making a corresponding reduction in the maximum prices.

I have the honour to be,
Sir,
Your most obedient servant,

Director of Civil Supplies.

MPH.

Letter dated 15th August 1919, from the Standard Oil Co. of New York, Esplanade, Madras, to the Director of Civil Supplies, Bangalore.

We have the honour to advise that our selling rates for Elephant tins and bulk have been reduced annas per unit. We notified all of our commission agents in your district of this reduction in our prices by telegram yesterday evening. We give below the selling rates which our commission agents are to report to us, which will go into effect immediately.

In order that our commission agents may be able to effect sales at these new rates at once, we would appreciate it very much if you would kindly have revised selling permits issued to our commission agents and dealers at your earliest convenience.

Our selling rate for Monkey cases remains unchanged.

From

Director of Civil Supplies in Mysore.

POLITICAL DEPT. 8 - SEP 1919

To

C. S. Balasundaram Iyer, Esq., B.A.,
Chief Secretary to the Govt. of Mysore.

Sir,

With reference to Government Notification No. G. 1192/P.P.2-18-51 dated 15th July 1919, prescribing maxima prices for the sale of the different brands of kerosene oil brought under control in the State and the subsequent notifications of the 25th August and 1st September issued in the same connection, I have the honour to ~~send~~ submit herewith for information of Government copy of circular (annexure I) memorandum C. No.2841/19-2 of the 25th August issued by the Director of Civil Supplies, Madras, reducing the profit allowed to 'B' permit holders from 8 annas to 4 annas per unit. The agents of the Burma Oil and Asiatic Petroleum companies at Madras have suggested the introduction of similar modifications in the rules for the control of kerosene oil in the Mysore State. A draft notification giving effect to this change in the maxima prices is submitted herewith (annexure 2) for approval and publication in the next issue of the Gazette. I would like to add that the principles on which the prices have now been worked out are identical to those followed in Madras at present. The profit of 5 annas per unit allowed to the sub-agents (vide this office letter No.1147 of the 14th July 1919) has now been reduced to one anna per unit as in Madras. This reduction in the profits of the sub-agents has been felt desirable, as large quantities

quantities of kerosene oil are now being imported into the State with the result that competition among the sub-agents of the several oil companies has brought down the profits, which sub-agents expect, to the normal prewar rates.

I have the honour to be,

Sir,

Your most obedient servant,

Director of Civil Supplies.

C.No. 2841/19-9

Office of the Director of Civil Supplies

M E M O R A N D U M.

With effect from 1st September thr following alterations will be be made in the subsidiary instruction regarding Kerosine Oil control dated 30-3-1919 (revised with reference to G.O.No.450 Revenue Special dated 12th March 1919.)

Para 3 Line 7.

For "8 annas" read "4 annas", In the example quoted in the same paragraph, make the corresponding alteration, adding only 4 annas instead of 8 annas to arrive at the dealers selling price per unit.

At the end of para 6 add in addition to 25 percent of the oil sent to them which they may sell retail at B permit rates, Sub Agents may also sell retail (direct to consumers) at the rates fixed for sale by them to their dealers, whatever Oil is not taken up by their dealers.

Sd/- J. GRAY,
Deputy Directorof Civil Supplies.

Copy to all Collectors. It is requested that the necessary amendments to A and B permits may be issued immediately so that the new rate may come into force on 1st September. This is a step towards the final removal of kerosine oil control, which it is hoped will become possible in another month or so when the Railway position is likely to be easier. At present, although supplies at the ports of entry are assured, the Companies cannot pass oil up country so quickly and regularly as to render a continuous supply absolutely assured in the event of temporary transport difficulties.
